

Alert - Coronavirus Vaccination Scams 08/01/2021

How to protect yourself:

In the UK, coronavirus vaccinations will only be available via the National Health Services of England, Northern Ireland, Wales and Scotland. You can be contacted by the NHS, your employer, a local GP surgery or pharmacy, to receive your vaccination. **Remember, the vaccinations are free of charge and you will not be asked for a payment.**

The NHS will never:

- ask for your bank account or card details
- ask for your PIN or banking passwords
- arrive unannounced at your home to administer the vaccine
- ask for documentation to prove your identity, such as a passport or utility bills

If you receive a call you believe to be fraudulent, hang up. If you are suspicious about an email you have received, forward it to report@phishing.gov.uk. Suspicious text messages should be forwarded to the number 7726, which is free of charge.

If you believe you are the victim of a fraud, please report this to Action Fraud as soon as possible by calling 0300 123 2040 or visiting www.actionfraud.police.uk.
